

261—172.2(15A) Violations of law. Financial assistance applications shall be reviewed by the authority to determine if the business has a record of violations of the law over a period of time that tends to show a consistent pattern. The business shall provide the authority with a report detailing violations of law within the most recent consecutive three-year period prior to application. If the authority finds that a business has a record of violations of the law that tends to show a consistent pattern, the business shall not be eligible to receive financial assistance unless the authority finds that the violations did not seriously affect public health or safety or the environment, or if the authority did find that the violations seriously affected public health or safety or the environment, that there were mitigating circumstances. In making the findings and determinations regarding violations, mitigating circumstances, and whether the business is disqualified for tax incentives and assistance under the program, the authority shall be exempt from Iowa Code chapter 17A.
